

Sometimes Brooklyn

by Amy Louise Phillips-Losso

for his loving family

Sometimes Brooklyn gets his neck scratched,

Sometimes it is his ear.

Sometimes Brooklyn has two scratchers,

Sometimes his side is what is near.

Sometimes Brooklyn snoozes with Kev,

sometimes it seems he snoozes on his own.

Sometimes Brooklyn snoozes on Kev's feet,

for he really prefers not to snooze alone.

Sometimes Brooklyn snoozes when Kev is on the phone,

Sometimes he's hugged when music is on low.

Sometimes Brooklyn goes to bed real snug,

sometimes he just goes with the flow.

Sometimes Brooklyn takes over the whole couch,

Sometimes he shares the couch with Bev.

Sometimes he waits under the coffee table,

until he can take most of the bed.
